Connecting Kids to Coverage: Covering Oxford County

Too many Maine children are living without health insurance, but together we can change that. As a trusted community member, you can connect eligible children and families in Oxford County to coverage through MaineCare.

How You Can Help!

1. IDENTIFY

In your role, you may be able to identify uninsured children and families in your community.

2. CONNECT

Next, you can share information with parents or caregivers about how eligible children can enroll in MaineCare free of cost.

3. REFER

With the consent of a child's parent/guardian, you can refer them to the closest navigator or assistor.
