

Connecting Kids to Coverage: Covering Washington County

Too many Maine children are living without health insurance, but together we can change that. As a trusted community member, you can connect eligible children and families in Washington County to coverage through MaineCare.

How You Can Help!

1. IDENTIFY

In your role, you may be able to identify uninsured children and families in your community.

2. CONNECT

Next, you can share information with parents or caregivers about how eligible children can enroll in MaineCare free of cost.

3. REFER

With the consent of a child's parent/guardian, you can refer them to the closest navigator or assistor.

Connecting Kids to Coverage: Covering Washington County

CHILDREN UNDER AGE 19 WITHOUT HEALTH INSURANCE BY NUMBERS 2015

Despite significant improvement in the rate of uninsured children across the country, the percentage of children living without health insurance in Maine has risen steadily and is now higher than the national rate.

14,635

Maine children go without health care coverage each year.

512

of these children live in Washington County.

55.9%

or about 286 of the uninsured children in Washington County are eligible for MaineCare.

Created by the Maine Children's Alliance.

The Connecting Kids to Coverage project is supported by Funding Opportunity Number CMS-220-16-001 from the U.S. Department of Health & Human Services, Centers for Medicare & Medicaid Services.
